SUMMARY

Full Stack Engineer with real-world experience building production-level mobile and web applications. Passionate about clean code, scalable systems, and delivering meaningful user experiences. Graduate of SE Factory's rigorous Full Stack Engineering Bootcamp.

TECHNICAL SKILLS

Programming Languages: Python (Advanced), Java (Advanced), JavaScript (Intermediate), PHP (Intermediate), SQL (Advanced)

Databases: MySQL (Advanced), MongoDB (Intermediate)

Frameworks & Libraries: Laravel 12.x (Advanced), React (Intermediate), Flutter (Intermediate), Node.js (Intermediate), Keras (Intermediate), TensorFlow (Intermediate), PyTorch (Beginner)

Tools & Cloud Services: Git & GitHub (Advanced), Docker (Intermediate), Postman (Intermediate), Figma (Intermediate)

Software Development & Testing: CI/CD (Intermediate), Pull Requests (Advanced), Testing (Intermediate), Clean Code Practices (Intermediate)

Core Computer Science Competencies: Complexity Analysis, Data Structures & Algorithms, Design Patterns, OOP

PROFESSIONAL EXPERIENCE

Software Developer   Apr 2024 – Nov 2024
Expert Captions   *On-site*
　Developed and deployed production-level apps using Flutter and React with Firebase integration.
　Implemented authentication, data syncing, and UI components following clean architecture principles.
　Worked closely with designers and PMs to iterate fast and ship quality features.

Intern   Jan 2024 – Mar 2024
Lead By Tech   *On-site*
　Built Laravel APIs, managed migrations, and assisted with bug fixing across .NET and PHP codebases.

PROJECTS

StockTok   Completed
Video Investment Platform   *React Native, Laravel, MySQL, Docker*
　Developed a fintech-style app where users invest in short videos through an in-app wallet.
　Built role-based access, wallet transactions, video uploads, and investment flows.
　Used Docker for containerization and GitHub Actions for CI/CD automation.

CERTIFICATES

SE Factory Full Stack Engineering Bootcamp   Remote
Certificate of Completion   *Feb 2025 – May 2025*

EDUCATION

Lebanese University   Lebanon
B.S. in Computer Science   *Oct 2020 – Oct 2023*

LANGUAGES

Arabic (Native), English (Advanced), French (Beginner)
